

Saraya

RESORT
LOMBOK

A five-star, gated beachfront
community in South-West
Lombok, Indonesia

CONSTRUCTION PHASE RELEASE

A new benchmark for beachfront living in Lombok

Saraya Beach Resort is a thoughtfully masterplanned, low-density beachfront community located on one of Lombok's most pristine coastlines.

Designed to international standards, Saraya blends contemporary Mediterranean-inspired architecture with tropical living, professional on-site management, and long-term ownership security. As Saraya transitions into active construction, buyers are presented with the opportunity to engage with a fully planned beachfront resort at a pivotal stage of development - prior to completion and full operational maturity.

This document outlines the location, destination opportunity, resort amenities, villa collection, and construction timeline for Saraya Beach Resort.

SECTION 01

Lombok

Indonesia's Next Premium
Coastal Destination

Lombok is emerging as one of Southeast Asia's most compelling long-term lifestyle and resort destinations.

Located immediately east of Bali, Lombok offers pristine beaches, lower development density, and strong government support for sustainable tourism growth.

As Bali reaches development maturity, Lombok provides what Bali once did:

Unspoilt
Tropical
Coastlines

Lower-Density
Resort
Planning

Expanding
Government-Backed
Infrastructure

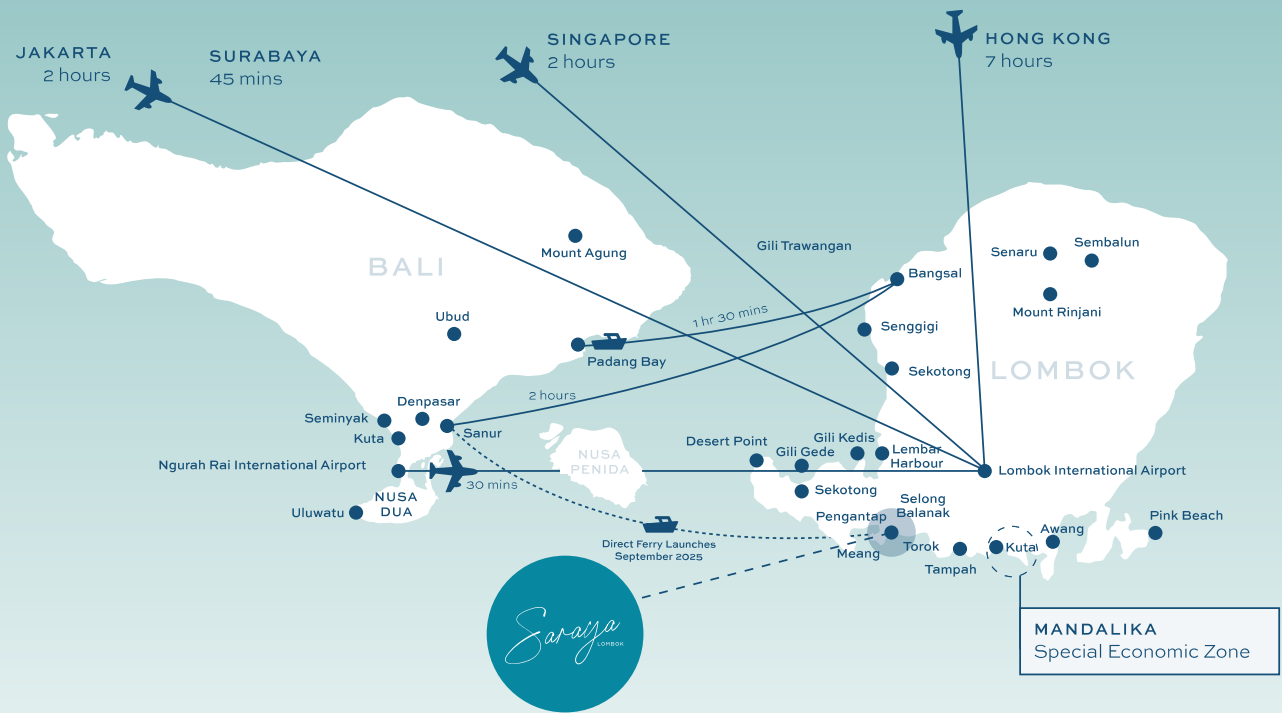

Significant
Long-Term
Growth Potential

Lombok's evolution is no longer speculative — it is actively underway.

Easy access from Bali and international gateways

Saraya Beach Resort is located on the south-west coast of Lombok, an area increasingly recognised as part of Lombok's primary tourism expansion corridor.

ACCESSIBILITY HIGHLIGHTS INCLUDE:

Short domestic flights from Bali to Lombok International Airport

Regular fast ferry services between Bali and Lombok

Road connectivity linking the airport, Mandalika and Lombok's South & West coasts

Increasing domestic and international flight routes

This level of connectivity supports both lifestyle use and year-round resort demand.

South-West Lombok: A Key Growth Corridor

SOUTH-WEST LOMBOK IS EMERGING AS A FOCUS AREA FOR:

Premium Resort
Development

Infrastructure
Investment

Eco-Tourism &
Experiential Travel

UNLIKE OVERDEVELOPED DESTINATIONS, THIS REGION ALLOWS FOR:

Larger Land
Parcels

True Absolute
Beachfront
Positioning

Long-Term
Planning Integrity

Saraya is strategically positioned within this growth zone, benefiting from early-mover advantage while maintaining long-term scarcity.

Global Visibility Through Mandalika

The Mandalika region has firmly placed Lombok on the global stage.
Home to the MotoGP circuit, Mandalika attracts:

INTERNATIONAL
VISITORS

GLOBAL MEDIA
EXPOSURE

INFRASTRUCTURE
INVESTMENT

This international visibility accelerates Lombok's tourism maturity and supports demand across the island, including premium beachfront resorts such as Saraya.

A Growing, Diversified Tourism Market

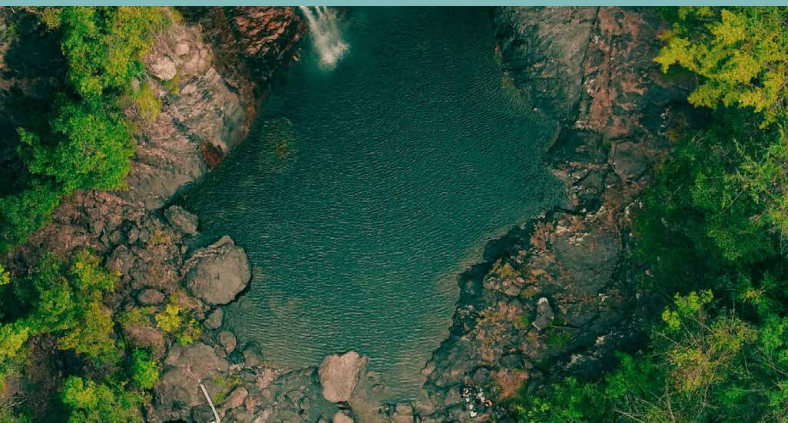

LOMBOK'S TOURISM MARKET CONTINUES
TO EXPAND ACROSS MULTIPLE SEGMENTS:

LEISURE AND HOLIDAY TRAVELLERS

WELLNESS RETREATS

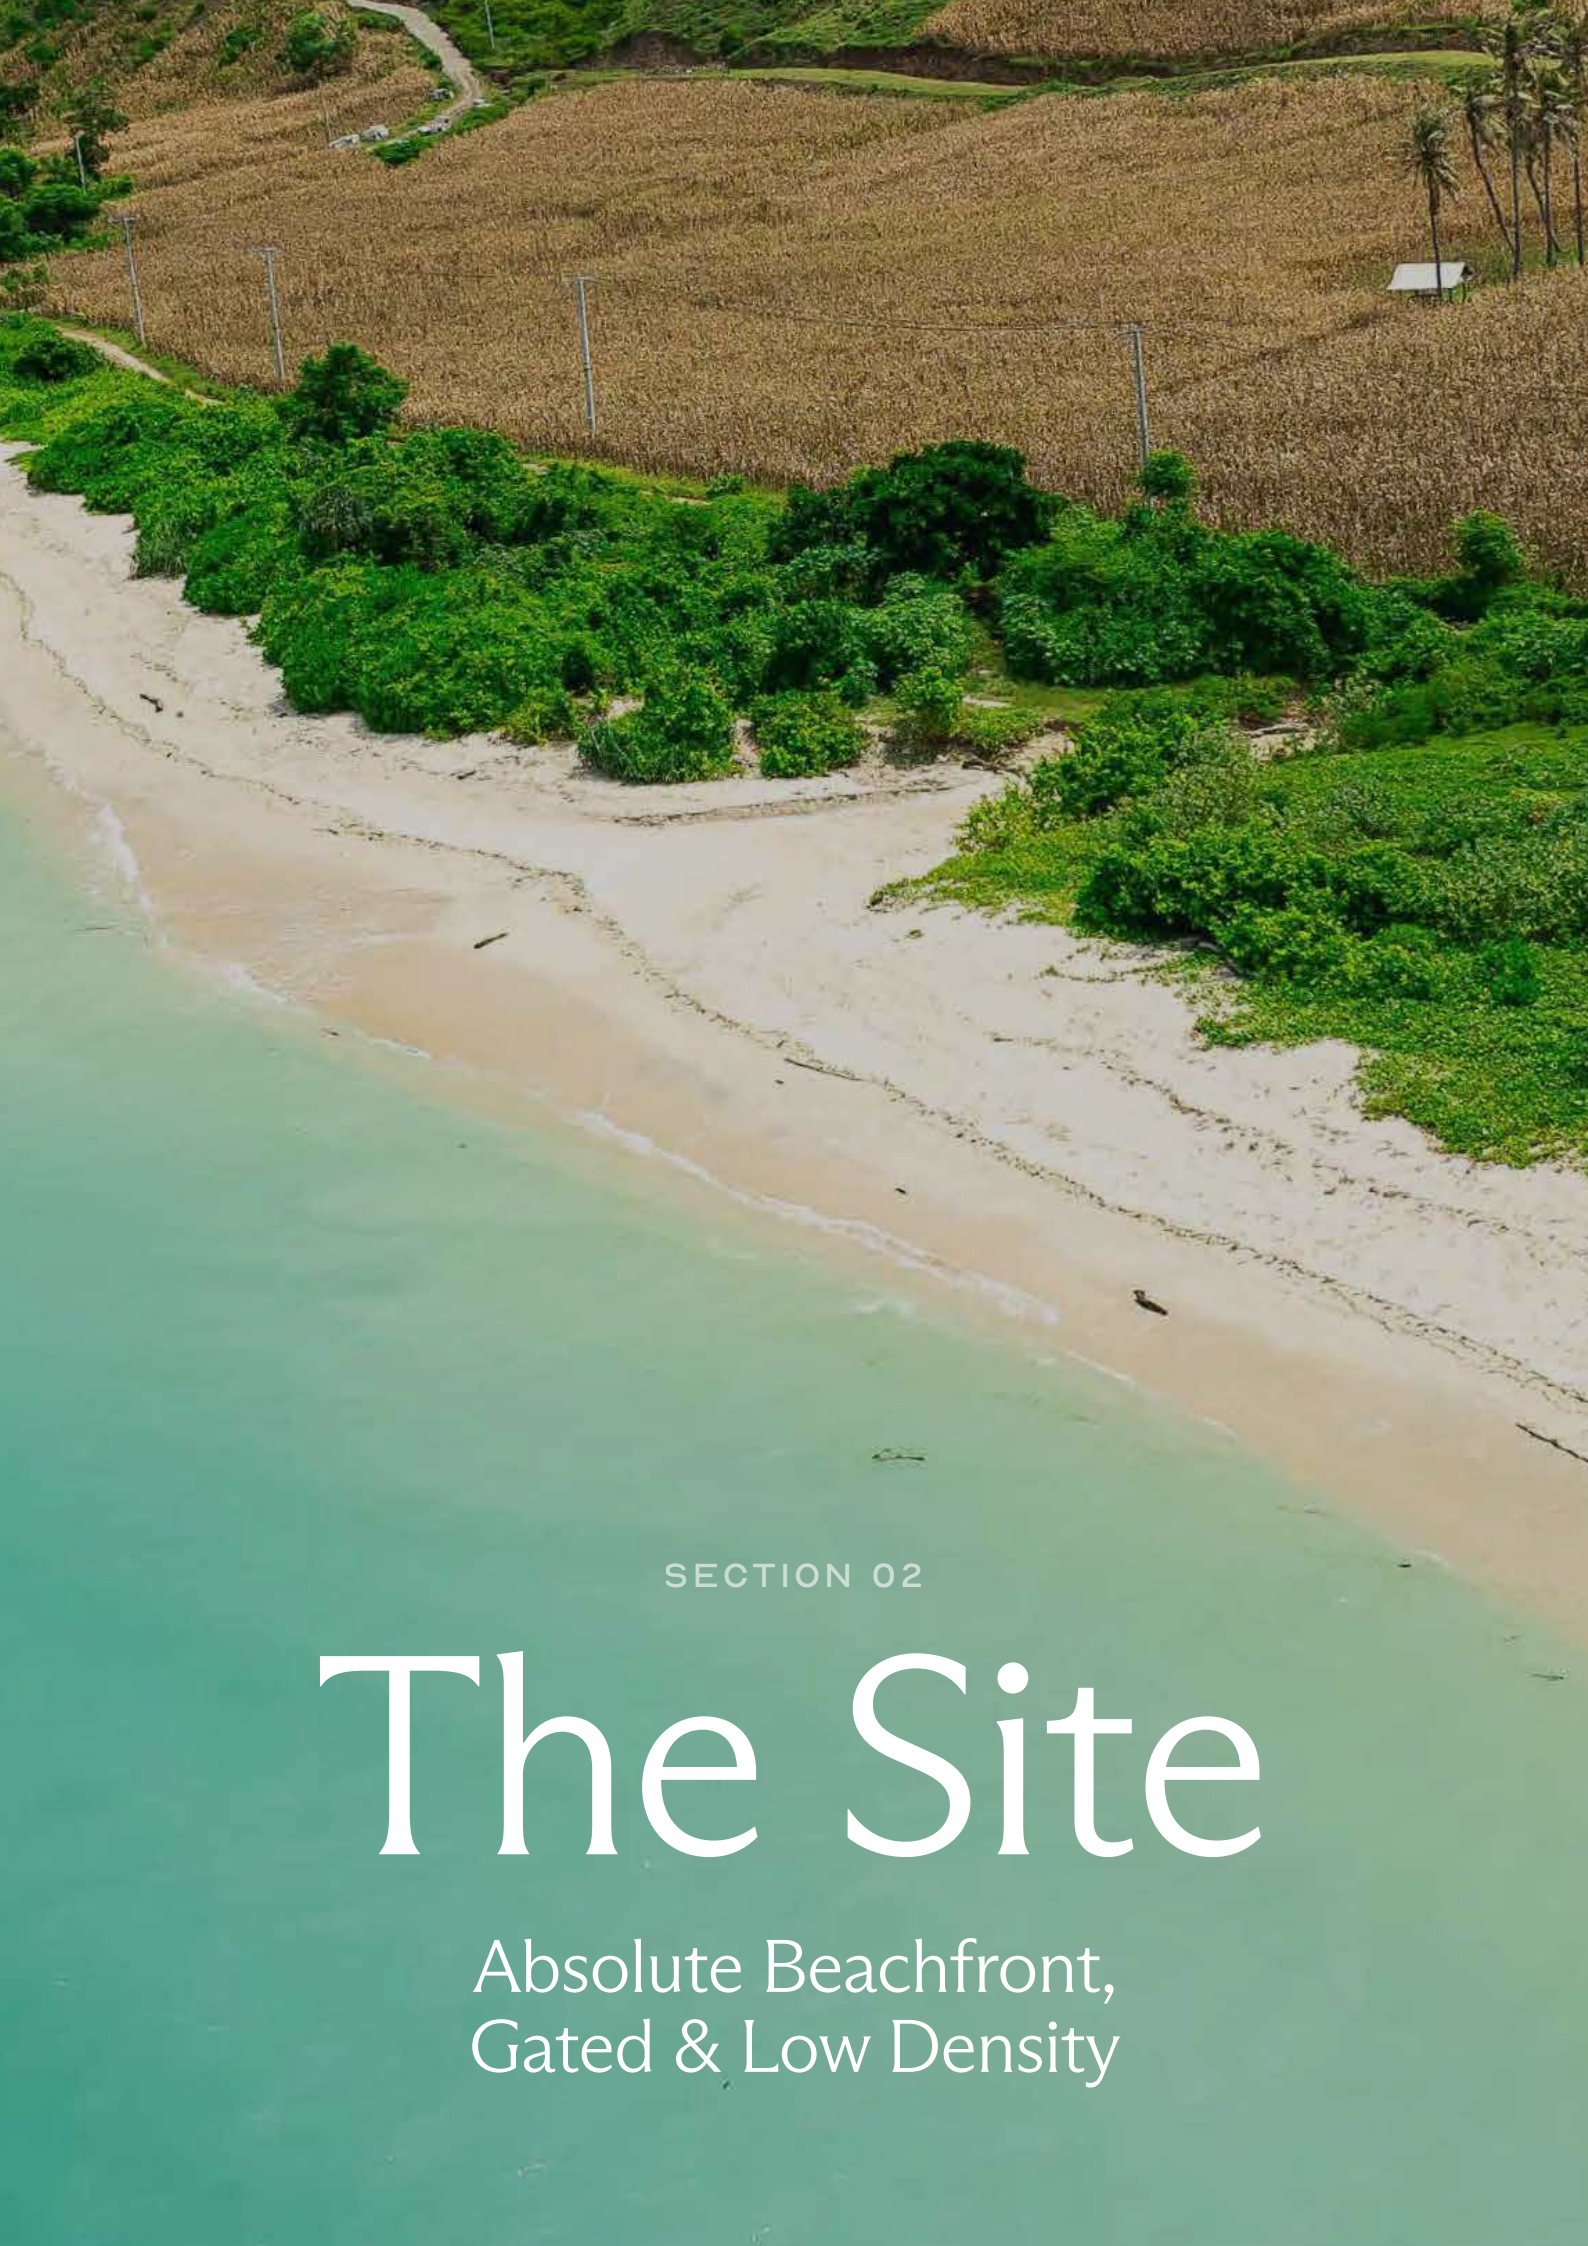

ADVENTURE & ECO-TOURISM

LUXURY RESORT GUESTS

With increasing international arrivals, rising domestic travel, and longer average stays, Lombok is transitioning into a diversified tourism economy.

Saraya is positioned to capture this demand
at the premium end of the market.

SECTION 02

The Site

Absolute Beachfront,
Gated & Low Density

Saraya Beach
Resort occupies
a rare absolute
beachfront position,
with villas set just
steps from the ocean.

The Masterplan Prioritises:

Low Density
Villa
Placement

Privacy
Between
Residences

Natural Sea
Breezes &
Sunlight

Direct
Beach
Access

Saraya is not a high-rise or mass tourism project. It is a refined beachfront community designed for longevity, comfort, and enduring value.
